## TeamBoard 65" Interactive Flat Panel

TeamBoard Interactive Flat Panels (IFPs) provide the latest interactive technology solutions for your classroom or meeting space. With TeamBoard Interactive Flat Panels, you can motivate your audience with various digital content - integrate pictures, videos, renders, and other multimedia into your lesson plans and presentations. You can even take notes, annotate, draw, rotate, and scale all your digital content with simple touchscreen gestures. Furthermore, with the Interactive Flat Panel you can describe complex ideas for students, partners, clients, or colleagues - you can tackle problems together and make sure your concepts are explained clearly.

### Why LED?

LED displays are the perfect way to integrate digital content into your meetings or lesson plans. Bright, clean, and sharp images are hallmarks of TeamBoard IFPs, making your ideas bold and beautiful in any indoor collaboration setting.

### Technical Features

TeamBoard Class Interactive Flat Panels are sturdy, reliable, and 100% interactive right out of the box thanks to a fully integrated infrared beam-break sensor. Also, HD educational content is possible through a variety of video inputs - compatible with various multimedia content. Images have a high brightness and contrast ratio in all lighting conditions, with a resolution of 1080P or better. With multi-touch capabilities, TeamBoard IFPs can detect up to 5 points of static or dynamic touch simultaneously, detect gestures and writing from 3 users at the same time, and detect input from almost any object. with lightening fast response times. Simply touch the screen to create, write, edit, or navigate through a presentation.

*TeamBoard Interactive Flat Panel*

Hardware		TIFP65
Panel Resolution	1080p	
Recommended Resolution	1920 x 1080 120 Hz	
Brightness (nits)	360cd/m <sup>2</sup>	
Contrast Ratio (Typical)	4000:1	
Response Time	5.5 ms	
Display Colors	1.07B Colors	
Viewing Angle Horizontal / Vertical (Typical)	178° / 178°	
Pixel Pitch (H) x (V) (mm)	0.74 x 0.74	
Base Panel Supplier	AUO	
Power Consumption	212 W	
Power Consumption Sleep Mode	< 1 W 30k hrs	
MTBF	30k hrs	
VESA Mount W x H (mm)	600 x 400	
Green Approvals	Lead free, RoHS compliant	
Regulatory Approvals	CE, FCC, NRTL, KC, CB	
Thickness of Safety Glass (mm)	4	
Warranty	See Standard Global Warranty on Teamboard.com
