65" FX Interactive Panel

Overview

TeamBoard FX is one of the brightest and most secure interactive flat panels in the market, boasting 4K resolution, 20 points of touch, and toughened glass for unparalleled durability. With a unique 500 nits brightness, the TeamBoard FX stands out as one of the few touchscreens on the market considered 'sunlight readable'.

For security-conscious users, the TeamBoard FX offers the most secure solution with no Android operating system embedded ensuring the FX is driven by a computer of your choice.
